TUITION RATES

All students are obligated to pay for registered courses unless they officially drop a course(s) on or before January 24, 2006.

RESIDENT STUDENT:.....\$50.00 PER SEMESTER HOUR

A "Resident Student" is a student who makes his/her permanent home on Guam and pays Guam income taxes or is claimed by someone who pays Guam income taxes. Active duty military personnel and their dependents are classified as "Resident Students".

NONRESIDENT STUDENT:.....\$75.00 PER SEMESTER HOUR

A "Nonresident" is a student who makes his/her permanent home away from Guam and does not pay Guam income taxes.

FOREIGN STUDENT:.....\$100.00 PER SEMESTER HOUR

All students enrolling in Spring 2006 semester will be classified as a resident, nonresident, or foreign student for tuition purposes when they register for classes. When the College is unsure of a student's residency classification, the College will assess the higher tuition rate. The burden of showing that the residence classification should be changed is on the student and must be provided during the semester in question. The Residence Classification Policy and Procedures of the College are available for inspection at the Office of the Registrar.

PLACEMENT TESTS
